

The conference technical sessions were held in the Old Main building at the University of Colorado, Boulder.

Prof. Zoya Popovic (General Chair) and Prof. Khurram Afridi (TPC Chair) with student paper award winners

Attendees during one of the technical sessions in the Old Main building

Keynote speaker dr. Paul Jaffe from NRL demonstrates a scaled model of a solar power satellite system built by undergraduate student interns.

Hardware demo competition

Industry panel led by Qualcomm

The reception was held in the Heritage Museum of the University of Colorado. Attendees could admire a rock from the Moon, old astronaut suits, and a lego model of campus.

Drive to conference dinner, Sunshine Canyon (☺), Boulder

Conference dinner at historic old mining-town Gold Hill Inn near Boulder Colorado.

A blue-grass band “Steele Pennies” entertained us during dinner!
